Welcome to the All Saints Catholic Church Web site. As the pastor of All Saints, I have the privilege of being in a parish that has a great reputation for hospitality, generosity and compassion. We have a reputation for vibrant liturgies, a marvelous choir, and outreach ministries that are truly serving those who are in need.

We are a multiracial congregation of African-Americans, Africans, Euro-Americans, and Latinos. Our membership is currently 581 families from almost every part of the Greater Milwaukee area.

We are also a community that is in need of constant healing and reconciliation. Our strength comes from the admission of our need for God's grace to be reconciled and to reconcile. All we do -- worship, outreach ministry, faith formation, recreation - are accomplished with the Grace of God and the talents, time and financial support of the members. All our strength comes from our gathering around the Welcome Table of our Lord's Body and Blood. From this Table, we receive the forgiveness and the strength to go forth to love each other and to serve those who are in need.

We have also been blessed with a renovated church and church hall that will serve our needs far into the future. The worship space is stunning and has already received the accolades of church architects from across our country. The centerpieces of our worship space are the baptistery, altar and ambo (pulpit). We also have a larger and more comfortable narthex (gathering space) for fellowship. We are truly blessed. And our renovation also speaks to our commitment to the area in which the church is located.

Please come and join us. We welcome visitors and those seeking a church home where the Gospel of Jesus Christ is preached and lived.

Faithfully,

Father Carl Diederichs,
Pastor
