All Saints Catholic Church

Dear Sisters and Brothers.

I offer you the following article for your information and prayer.

"This Conference resolves to call upon our respective governments to urge all nations to agree by treaty to stop the production, testing, stock-piling and usage of nuclear weapons and to press for an international mandate for all member states to prohibit nuclear warfare." **Archbishop Martino, Apostolic Nuncio, UN**

BLESSED ARE THE PEACEMAKERS

This coming Wednesday, August 6th we will celebrate the Feast of the Transfiguration of Jesus as well as the anniversary of the atomic bombing of Hiroshima, an event of catastrophic "transfiguration". Our Church, through the voices of Popes and Bishops has spoken out forcefully on the subject of Nuclear Weapons.

"In the face of the man-made calamity that every war is, one must affirm and reaffirm, again and again, that the waging of war is not inevitable or unchangeable. Humanity is not destined to self-destruction. Clashes of ideologies, aspirations and needs can and must be settled and resolved by means other than war and violence." **Pope John Paul II, Appeal for Peace, Hiroshima, Japan.**

"Nuclear deterrence as a national policy must be condemned as morally abhorrent because it is the excuse and justification for the continued possession and further development of these horrendous weapons." **US Catholic Bishops, The Morality of Nuclear Deterrence.**

"The time has come to rid planet Earth of nuclear weapons-all of them, everywhere... Nuclear weapons, whether used or threatened, are grossly evil and morally wrong. *Cardinal Danneels, Statement to the Nuclear Non-Proliferation Treaty Preparatory Committee.*

"...the arms race is an utterly treacherous trap for humanity, and one which injures the poor to an intolerable degree." **Gaudium et Spes, Second Vatican Council**

"We must all pray that no human hand will ever again do what has been done here." **Mother Teresa, Nagasaki, Japan.**

"(Today) excessive nuclear arsenals, their continued spread, and proposals to further develop and use them underscore the need for much deeper cuts in nuclear weapons and ultimately a global nuclear ban." **US Catholic Bishops 2003.**

What can I do:

- Pray fervently for peace, and that the renewed attempts of our government to invest in nuclear weapons cease.
- Learn more about our government's nuclear weapons policies and plans to develop new ones. Speak out in the words of our Popes and Bishops. Be a voice of peace.

Contact your Senators and Representatives. Ask them to vote against funding for nuclear weapons testing and production.

We need to keep this important issue in our prayers.

Faithfully,

A PROJECT OF THE CHURCH OF THE SAVIOUR

Skillfully Shaped

The cruel chisel destroys a stone with each cut. But what the stone suffers by repeated blows is no less than the shape the mason is making of it. And should a poor stone be asked, "What is happening to you?" it might reply, "Don't ask me. All I know is that for my part there is nothing for me to know or do, only to remain steady under the hand of my master and to love him and suffer him to work out my destiny. It is for him to know how to achieve this. I know neither what he is doing nor why. I only know that he is doing what is best and most perfect, and I suffer each cut of the chisel as though it were the best thing for me, even though, to tell the truth, each one is my idea of ruin, destruction and defacement. But, ignoring all this, I rest contented with the present moment. Thinking only of my duty to it, I submit to the work of the skillful master without caring to know what it is."

"WE ARE ALL SAINTS!" AFTER SCHOOL SUMMER TUTORING PROGRAM:

During the summer on Thursdays from 4 pm - 5:30 pm, All Saints will host an after school tutoring program for all students ages 6 - 18. Starting June 12, the program will provide students with a staff of professional teachers and high school students from St. Francis Borgia Parish in Cedarburg to help with any subject that might need some fine tuning before the start of the new school year. It is the hope of the community that once the program takes off, we can offer students a diverse list of fun activities in addition to tutoring. Some ideas include music, creating art, writing workshops, reading groups, and discussing politics or other important social issues. If you have any other ideas about additional activities we could try and implement into the program, please don't hesitate to bring them to the table! Each activity would be tailored as much as possible to the particular age, ability, and desire of each and every student in the program. Encourage all grade schoolers and high schoolers you know to get involved with this program. We would love for this to really take off, so that all of our children and teens this summer can proudly shout, "We are All Saints!"

Peace,
Bob Spoerl.

Human Concerns Corner:

We have a number of parishioners in need of used automobiles. The biggest barrier to a good paying job is transportation. Many of the jobs we can place our parishioners in are not on a bus line. If you are willing to donate a used car as a tax write off or know of anyone who has a used car to sell please contact Debbie Timko at 414.444.5610 ext 104.

For Immediate Release: Temporarily Closing 8/1/2008

July 29, 2008, Milwaukee, WI -The Board of Directors for America's Black Holocaust Museum announced today that the museum will temporarily close its doors in order to reconfigure its operations. Reggie Jackson, Board Chair for America's Black Holocaust Museum (ABHM) said the institution has been impacted by the economy and part of the museum's reconfiguration will focus on developing a new fundraising plan. Jackson said ABHM does not have an endowment and relies strictly on individual donations and corporate philanthropy.

ABHM is in discussions with its lender and with the City of Milwaukee Department of City Development to retain the museum's building at its current location.

Jackson said that during its temporary closure, ABHM will restructure its educational development and complete the cataloguing of the museum's archives.

"Though we may be temporarily closed to the public, we will continue the museum's mission through aggressive outreach to the community to raise funds and ensure that this national museum remains open," said Jackson.

Volunteers Needed:

We would like for someone to be a back up driver for the Burundi family on Sunday morning for 10:30 a.m. Mass. This means coming to church at 10 a.m. and using the church van to go and get the family before church and drop them off after church. *A valid driver's license is required*

Crossroads Interfaith

In every neighborhood, there are some older men and women who wait for just "a little help". They want to remain at home and be considered part of the community, the neighborhood, *their* neighborhood! All they need is "a little help". They need groceries but no longer drive. All they need is "a little help". Their family members no longer live in the neighborhood, instead they're scattered all over the globe, and it gets awful lonely sometimes.. All they need is "a little help". You can give "a little help" by becoming a Crossroads Interfaith volunteer. A home visit will help someone stay connected to the community. A trip to the grocery store will help keep someone nourished. A phone visit may be the answer to someone's loneliness.

If you can help, please call Crossroads Interfaith at (414) 536-7200.
